A dialogue between one piano and the northern lights. With an upright piano anchored to the rock of the Canadian Shield, at the edge of the taiga, Roman Zavada created new piano compositions inspired by one of the most spectacular and majestic phenomena on Earth. Under the aurora borealis of the Northwest Territories, he translated in music the feeling of the northern vibes he had experienced for over two weeks. Zavada then returned to the scene of his creation, but this time, to capture with his video team the northern lights in 360 degrees and in real time, never achieved before. Acclaimed by the critics and the public for its beauty and originality, this outstanding 360-degree piano performance immerses the audience above the 60th parallel deep into the heart of the northern spirit.

The Library’s Board, Administration and Staff continue to work on the renovation of this building. We are happy to report that we will be staying in a portion of the building while the construction goes on. The project has gone out to bid and by the time you read this, we will have the results.

If you have any questions, the Director’s door is always open to you, or you may come to a Board Meeting with your concerns. This is your Library and we welcome your involvement.

Now, to the new proposed Library Budget. You will find it below and on pages 10 & 11 in English. The Spanish version of the Budget can be found on pages 12 & 13 and in Urdu on pages 14 & 15. We are pleased that we are within the tax cap as prescribed by law. Please, take the opportunity to look at the long form of the budget distributed at the Library, and on our website at www.eastmeadow.info. This will explain the budget in more detail. Or, come to our Budget Board meeting on Wednesday, May 8 at 8 p.m. which will be held at the EM Fire Department, next to EMPL.

Revenue
We are within the tax cap as prescribed by law. The budget line for fines has been reduced, and the line for vending (copy machines) has been increased.

Expenditures
Personnel & Employee Benefits — The line for personnel services has decreased due to retirements. It includes the state’s minimum wage increase to $13 per hour. Employee benefits remain flat despite the rise in the cost of health care.

Furniture and Equipment — The furniture and equipment budget lines have increased to facilitate use of the temporary space. Since we will not be able to serve as many people with our Wi-Fi in the building, we are going to circulate mobile hotspots to our residents with a 14-day loan. If you are interested, please make your way to the Reference Desk, and they will be happy to help you.

Books — In anticipation of our temporary move, funds for purchasing books in print format have been temporarily re-located to purchase eBooks, so patrons will have a varied selection in our eBook collection, Overdrive. Take a look at our website, www.eastmeadow.info, under eBooks & audiobooks, to search for titles. Be sure to download the new Libby app on your device. It’s free with your library card!

Audio-Visual Services — The computer software line and museum passes line have increased to keep pace with user demand.

Material Services — There has been an increase in the fee for the software which manages circulation. The Nassau Library System fee pays for the delivery service amongst the libraries.
**eBooks** — As stated above, with the move to the temporary and smaller location, funds have been moved from print purchases to eBook purchases. To support reference service, we have also added money to the electronic resources line.

**Programs and Exhibits** — As always, our programs continue to be popular. It is our intent to continue to offer quality programming, even in our temporary location. We are looking for alternate locations to have these programs, and once finalized, will announce these locations.

**Film** — These lines have increased to purchase Kanopy and another streaming service for films, which is on the same platform as the digital magazines. Look for these two services to debut in July, 2019.

**Periodicals & Newspapers, Library Supplies & Services, and Building Expenses** — These lines have all stayed the same.

**Building Expenses** — Two lines have been added: van rental, to move material between our locations, and temporary occupancy costs which will cover whatever has not been anticipated.

Respectfully submitted,
Michael Turner, President
Janet Barsky, Vice President
Audrey Fixell, Lori Hoffman, Ellen Matishek

Detailed copies of the proposed Library Budget are available in the Library.
Como es de su conocimiento, la Junta, la Administración y el Personal de la Biblioteca continúan trabajando en la renovación de este edificio. Nos complace informar que nos alojaremos en una parte del edificio mientras la construcción se realiza justo al lado. El proyecto ha salido a licitación y para cuando lea esto, tendremos los resultados.

Ahora es el momento de hablar sobre el presupuesto del próximo año para el Presupuesto Operativo 2019/2020 de la Biblioteca. Puede notar que el presupuesto se ha reestructurado para mayor claridad, es decir, los libros electrónicos ahora tienen su propia categoría en lugar de ser incluidos (y perdidos) bajo otro encabezado.

Por favor, aproveche esta oportunidad para estudiar el formulario entero distribuido en la recepción y en nuestro sitio web (eastmeadow.info), notará que el presupuesto se ha reorganizado. Refleja los diversos formatos que pueden ser de su interés: libros, películas, pases de museos, publicaciones periódicas, libros electrónicos, programas y materiales audiovisuales (música y audio hablado).

El siguiente es un resumen del presupuesto de biblioteca propuesto para 2019/2020:

**Ingresos**
Estamos dentro del tope fiscal que prescribe la ley. La línea presupuestaria para multas se ha reducido, y la línea para intereses y ‘vending’ (máquinas copiadoras) se ha aumentado.

**Gastos**

**Beneficios para Personal y Empleados:** la línea de servicios de personal ha disminuido debido a las jubilaciones. Incluye el aumento del salario mínimo del estado a $ 13 por hora. Los beneficios para empleados permanecen sin cambios a pesar del aumento en el costo de la atención médica.

**Muebles y Equipos:** las líneas presupuestarias de muebles y equipos se han incrementado para facilitar el uso del espacio temporal. Dado que no podremos atender a tantas personas con nuestra conexión Wi-Fi en el edificio, vamos a hacer circular puntos de acceso móviles a nuestros residentes con un préstamo de 14 días. Si está interesado, diríjase al mostrador de referencia y estarán encantados de ayudarle.

**Libros:** en previsión de nuestro traslado temporal, los fondos para comprar libros en formato impreso se han reubicado temporalmente para comprar libros electrónicos, por lo que los usuarios tendrán una selección variada en nuestra colección de libros electrónicos, Nassau Digital Doorway. Eche un vistazo a nuestro sitio web, eastmeadow.info, en eBooks y audiolibros, para buscar títulos. Asegúrese de descargar la nueva aplicación Libby en su dispositivo. ¡Es gratis con su tarjeta de biblioteca!

**Servicios Audiovisuales:** la línea de software y las líneas de pases a los museos se han incrementado para adaptarse a la demanda de los usuarios.

**Servicios de Material:** ha habido un aumento en la tarifa por el software que gestiona la circulación. La tarifa del Sistema de bibliotecas de Nassau paga el servicio de entrega entre las bibliotecas.

**Libros Electrónicos:** como se indicó anteriormente, con el traslado a una ubicación más pequeña y temporal, los fondos se han movido de las compras impresas a las compras de libros electrónicos. Para respaldar el servicio de referencia, también hemos agregado dinero a la línea de recursos electrónicos.
Programas y Exposiciones: como siempre, nuestros programas siguen siendo populares. Nuestra intención es continuar ofreciendo programación de calidad incluso en nuestra ubicación temporal. Estamos buscando ubicaciones alternativas para tener estos programas y una vez finalizados se anunciarán esas ubicaciones.

Películas: estas líneas se han incrementado para comprar Kanopy y otro servicio de transmisión de películas que se encuentra en la misma plataforma que las revistas digitales. Busque estos dos servicios que iniciarán en julio de 2019.

Publicaciones Periódicas y Periódicos, Suministros, Servicios de Biblioteca y Gastos de Construcción: todas estas líneas han permanecido sin ningún cambio.

Gastos de Construcción: se han agregado dos líneas: alquiler de furgonetas para que podamos mover material entre nuestras ubicaciones y costos de ocupación temporales que cubrirán lo que no se haya anticipado.

Enviar con el debido respeto,

PROGRAMMING DURING CONSTRUCTION

As we get closer to the beginning of construction, you will notice that more and more programs will be held in interim spaces around East Meadow. The arrangements are being made as we write this. **We will be continually updating this Newsletter with important news. Please keep checking our updated Newsletters for the latest information.**

May programs are scheduled at the Library. June locations will be announced shortly. Each program description in the Newsletter will have the location listed below the program title. Spaces will be color coded so you can easily identify the location. On page 34 of this Newsletter you will find names, addresses, and simple directions to each location.

We know that sometimes change is difficult. This might be particularly true when the change is temporary. However, we look at this as broadening our scope in East Meadow, meeting new people, discovering new places, and gaining new resources.

As we embark on this journey together, we understand that it might take a while to get used to the different locations. The staff of EMPL is no exception. We are working to make everything go as smoothly as possible. Please be patient if there are some glitches along the way. We are all learning a new way of life for a relatively short period of time. Remember, our ultimate goal is to create a new, efficient, and exciting environment for you at your Library.

Thank you in advance for your patience, cooperation and good will.
It will be an exciting and new adventure for all of us.
