# EMPL CHILDREN'S PROGRAMMING

East Meadow Public Library card holders may visit [eastmeadow.info](http://eastmeadow.info) to register for programs. Registration for all programs begins at 9:30 AM on the date listed. Please register each child separately using the child's card. Caregivers with East Meadow Library cards may register an out-of-district child they care for with the caregiver's library card.

Non-residents may inquire about space in a program one week prior to the program. If you are wait-listed for a program, you will be contacted if a spot becomes available. Please register for the correct class based on your child's age.

Caregivers are required to remain in the library while children are in programs. All programs start promptly and no one will be permitted after 5 minutes. Please call to cancel if your child cannot attend the program. Failure to do so will lead you to be placed on the waiting list for future programs.

Due to space restrictions, only one caregiver per child can attend a program.
